

Thank you for your interest in starting an FBLA chapter. Information regarding FBLA can be found on the Colorado FBLA web site, www.fbla-pbl.cccs.edu or the National FBLA-PBL web site, www.fbla-pbl.org. National FBLA can send you the FBLA Chapter Start-Up Information and promotion brochure.

Each school in Colorado that plans to participate in FBLA must have an active Business Education Program Approval, and the necessary requirements of the teaching staff. The purpose of FBLA is to provide, as an integral part of the instructional program, additional opportunities for secondary students (grades 9-12) in business and/or business-related fields to develop career and technical supportive competencies, and to promote civic and personal responsibilities. For more information about what FBLA offers, visit the Colorado FBLA-PBL website (www.fbla-pbl.cccs.edu) which also links you to the national website.

Visit the Colorado website for the fall mailing and information regarding the upcoming Colorado Fall Conferences. The fall conference may be a great way to inform your students about FBLA.

If you need further assistance, please contact me at Deborah.Ramirez@cccs.edu, or 303.595.1583. The FBLA State Officer Team and I would be delighted to visit with you and “Get the Edge” in Colorado FBLA.

Sincerely,
